Truckee Republican

Consistently Serving the Great North Tah oe-Truckee Recreational Area Since 1869

97th YEAR — NO. 34 5-4 Truckee, Nevada County, California Thursday, August 4, 1966 10c Per Copy—$3 Per Year Since 1869

Donner Jaycees To Get Financing To Stage Races Here

Assurance that the Donner Area Junior Chamber of Commerce will have at least $1850 with which to finance the sports car hill climb on Donner Grade of old Highway 40, September 17 and 18, was given by the board of supervisors Tuesday when they voted to concur with previous action taken by the board of trade to allocate $1400 to the project.

Previously, the now extinct board of trade had recommended $400 to the project and allocated $250 to the Truckee Donner Chamber for the hill climb. The supervisors Tuesday acted favorably on the three recommendations and gave assurance that the money would be available.

The board action followed a presentation of the proposed program by Jaycee President James Harris and Jack Ellis, both of whom were appointed by Supervisor H. G. Loehr to represent the fifth district on the newly created county chamber of commerce. Ivan Tofft had previously been appointed to be the Truckee Donner Chamber of Commerce representative on the 15-man county chamber board of directors. Harris was appointed for a two year term and Ellis for one year.

Harris and Leon Lucchesi, another junior chamber official, had appeared before the board of trade and had been assured of the $1850, but the final action on the allocation rested with the supervisors. Supervisor Loehr favored the action and it was passed by a four to one vote.

The money, Harris explained, will be used for promotion and implementation of the races expected to attract 9,000 people. The Nevada Sports Car Touring Association will provide the technical assistance in the program.

Patrol Boat Here For Donner Lake

In an effort to reduce the danger of a tragic accident at Donner Lake, the sheriff's department is currently doubling efforts to arrpehend violators of the laws and rules governing boats.

Sergeant Roy Waters this week announced that a patrol boat arrived last week and was immediately put into service. The action followed numerous reports that speed boats were creating hazards among bathers and smaller boats as inexperienced drivers frequented the lake.

While the patrol undoubtedly will reduce the hazards, it will be impossible for a deputy to be constantly on the lake and boat operators are being urged to use care and keep the lake safe for swimmers, small boats, picnickers and others.

ANNUAL BARBECUE ON SUMMIT SUNDAY

Leo Quinn announced this week that the annual Donner Summit Community Club barbecue will be held Sunday, August 7 between 2 and 5 p.m. at the Big Bend Ranger Station.

This event climaxes the activities of the club during the year and attracts scores of visitors as well as residents to participate in the afternoon of fun.

The barbecued steaks will go at $2 each with all the trimmings.

TWO FIRES STARTED IN LIGHTNING STORM

The brief lightning storm Monday afternoon resulted in one minor fire, the U. S. Forest Service reported.

The lightning struck a tree at 6 p.m. Monday on Sagehen Hill but it was soon put out by the suppression crew.

Due to the fact that heavy rain showers accompanied the lightning there was only the one fire, unless "'sleepers" are discovered later.

While the rain temporarily lessened the fire hazard in the forest, it did not elimiñate it. The warm weather, during which thermometers reached an official high of 90 on Monday, quickly dried out the moisture which fell and extreme danger returned.

Another fire caused by lightning was quickly extinguished in a tree near Verdi Peak Tuesday by the helicopter crew.

BIKE RODEO

A bike rodeo, sponsored by the recreation and park district, is scheduled for August 11th at 1:00 p.m. The event will be conducted at the Truckee Elementary School. Awards will be given for the best decorated tricycle, and the rider possessing the most skill.

From Islands —

Mr. and Mrs. Phillip Vahey had as their guests last week, Mr. and Mrs. Arthur Rich of Sacramento who recently returned from Hawaii. While there they visited Carroll Clark, formerly of Donner Lake.

Bond Election Will Provide Lake Area With Sewer Funds

TAHOE CITY — When the Tahoe City voters go to the polls on August 16 to vote on the $1,000,000 bond issue, they will not only be deciding whether the utility district should borrow this amount of money to help construct a sewerage project, but they will also be making it possible for the district to obtain a considerable amount of federal and state monies.

Both the federal and state governments are vitally interested in sewage disposal in the Lake Tahoe Basin and are offering financial assistance to the district to help build the regional export project. The district has already qualified for these funds and it only remains for the local people to put up their share of the project cost. Obviously, the federal and state monies will not be made available to the district unless they are matched by local funds.

In the case of federal funds, the district is eligible for a grant in the amount of 30 per cent of the cost of the district's share of the

Continued on Page 8

Ground Breaking Sewer Saturday

The Truckee Sanitary District will hold a ground breaking ceremony, Saturday, August 6, at 10:30 a.m. The event will mark the first piece of 36 inch pipe laid as part of the North Lake Tahoe Regional Export System.

A portion of this regional system is presently under contract through the joint efforts of the Truckee Sanitary District, North Tahoe Public Utility District and Tahoe City Public Utility District.

The system will ultimately provide export of al lsewage at North Lake Tahoe and as well serve the Donner Lake area.

The site for the occasion will be on the south side of the Truckee River at the end of River Street West. The public is invited to attend.

Three Youths Held After Car Is Stolen

Three Washington State youths were apprehended by the California Highway Patrol just a few minutes after they were accused of stealing a car from its parking place on the main street in Truckee Thursday afternoon.

The three, according to the officers, took a car belonging to Mr. and Mrs. Paul Erwin of Hill Top Lodge which was parked in front of the Ponderosa Grocery, Mrs. Erwin had left the ignition key in the lock while shopping and when she came out of the store she saw the vehicle going east.

She immediately notified the CHP and an all-point bulletin was dispatched and officers in the area notified by radio.

Lieutenant O. B. Ledford and Sergeant Don Wallis took after the car and Officer Hugh Cameron, who had been alerted while on patrol east of here, apprehended the car and the suspects near the state line and returned all three to jail in Truckee where they faced a felony charge.

Questioning, officers said, revealed the fact that the three, Joe E. Hill, 20; Eugene K. Humphries, 18, and Patricia M. Helford, 18, had arrived in Truckee on motorcycles which they are accused of taking in Roseville. One of the machines broke down here and the car was substituted.

SUCCESS REPORTED IN SUNDAY BARBECUE

The Truckee Outdoor Sportsmen held a highly successful barbecue on Sunday, July 31 at the Truckee Donner Recreation Area located on the Brockway shortcut. More than one hundred persons were in attendance.

Initiating the new barbecue grill was chef Doug Watkins, assisted by Charlie Spillner and Bob Decker.

LAKE LEVEL

TAHOE CITY — Daryl DeWalt's office at Tahoe City reported a lake level of 6227.43 and 400 cf of water, per second were leaving the gates Wednesday. A continuously high temperature this season reached 88 degrees July 29, preceded by a low of 42 degrees on July 28.

NEW KINGS BEACH POST OFFICE

This attractive new building to serve the Kings Beach area will be officially dedicated at ceremonies to be held August 14 at 2 p.m. The building is located at 8633 Salmon avenue and the public is invited by Postmaster Robert Molsberry to participate in the program which is sponsored by the Greater North Lake Tahoe Chamber of Commerce.

New Post Office At Kings Beach Will Be Dedicated at Ceremonies August 14

Kings Beach, California's new post office will be dedicated at 2 p.m. on August 14th, Postmaster Robert B. Molsberry announced.

The new facility, located at 8633 Salmon Street, is part of the post office department's lease construction program, the local postmaster explained.

Under this program, investment financing is used to obtain needed facilities which remain under private ownership, pay local taxes to this community, and are leased to the federal government. At the same time, the need for large outlays of money from the federal treasury for construction purposes is eliminated.

Like most of the new postal buildings that are going up across the country, this post office is leaesd to the post office department. This gives the department some flexibility in adapting its building program to changes in mail volume, transportation and population, Postmaster Molsberry said.

The department is now concentrating on constructing new postal units only where they are most urgently needed. In areas where it is practical to do so, existing buildings are undergoing renovation.

"The fact that Kings Beach has been chosen for a new post office," Postmaster Molsberry said, "reflects credit on our growing contribution to the economy and life of the nation."

Meanwhile, for the postal dedication, the postmaster announced that the following are among the guests expected to attend:

Honorable Raymond R. Germain, assistant regional director, San Francisco; Nathan S. Spindel, director, transportation San Francisco Region; John McMahon, Regional Real Estate Office, San Francisco Region.

"Our patrons will derive more enjoyment from doing business here. Their mail will be handled more efficiently and this building and its up-to-date equipment will enable our postal employees to work under the best of conditions," the postmaster commented.

"Mail business in this area has gone up," the postmaster noted. "For example, 10 years ago revenue was $11,000 compared with $32,000 today."

When the local post office was established in 1941, its receipts ran only about $2,000 per year.

The postmaster gave some other facts on the history of the local postal service of patricular interest today as this community plans to add to its postal facilities, as follows:

Number of employees, six, compared with two ten years ago.

Names of former local postmasters and the dates they held office:

Joe King, 1941-1945.

Judge Harry Charrison, 1945-1947.

Mrs. Carol Howard, 1947-1960.

Number of boxes today, 775 compared withe 50 ten years ago.

Number of stamps sold today total $25,494 a year, compared with $8,733 a year ten years ago.

WYETHIA MEETING SET FOR AUGUST 5

A luncheon meeting will be held by the Wyethia Women's Club at one o'clock Friday, August 5, in the edifice, with Mrs. Marika Cattan presiding at the business session.

Guests to the affair are extended a welcome by the membership.

J. W. Loynd, son of Mr. and Mrs. Walter Loynd, has returned home after spending six weeks in the Reserve Officers Training School at Fort Knox, Kentucky. En route home he stopped over in Detroit to spend a week with his uncle, Harry J. Loynd, president of Park-Davis Drug Company.

Work Day Sunday Scheduled To Add Beauty To Hospital

A community work day is planned for the beautification of the Tahoe Forest Hospital for Sunday August 7 starting at 8 a.m.

Basic landscaping will be done around the new additions plus other areas that may need work.

The stone wall near the entrance will be rebuilt, lawn areas prepared and planted, flagstone patios laid and various clean-up jobs assigned.

Many men from the local service clubs have already volunteered their time and money to the project and construction companies are donating equipment and supplies.

The women have a job, too, to prepare lunches and also a barbecue following the work day at 5 p.m.

All hands are asked to bring whatever they have to work with and help with this project that is not covered by tax money.

Freight Cars Leave Track At Floriston

Thirty-two cars of an east-bound Southern Pacific freight train were derailed near Floriston about 5 p.m. Tuesday when a flash flood sent a rock slide down the mountain onto the tracks.

The engine passed the spot successfully but the rocks caused the following cars to derail.

Two 25-ton cranes were dispatched from Sacramento and crews were still busy late yesterday repairing the damage. No one was injured in the accident.

FUTURE BRIDE FETED AT LOCAL SHOWERS

Miss Leilani Braasch was complimented at two bridal showers prior to her wedding to Alvin Basinger, to take place August 10 at Oakland.

Mrs. Ralph Bretthauer was hostess at a linen shower for the bride-elect and a miscelleanous shower was given by Miss Kathy Braasch.

Guests attending the pleasant affairs included Georgia and Sheryn Abrahamian, Dorothy and Liane Kay, Connie Diaz, Melba Giovannoni, Ruth Parkhurst, Arlene and Janice Roth, Marilyn Nix, Winifred Randall, Betty and Dianne Silverii, Meriam Zwarg, Marie Burrell, Hilda Hintz, Lucille Sauby, Ilene Risden, Thelma Meiss, Ruth Morey, Karen Carroll, Karen Henry, Danell Pomin, Linda Stout.

Body Is Recovered After Drowning In River Accident

The body of Robert James Fah, 24, Reno window washer, who was drowned in the Truckee river near Floriston Friday night about 7:15 following an automobile accident, was recovered Saturday morning by members of the Sierra Nevada Rescue Unit headed by Hap Jones in a shallow portion of the river three miles below the scene of the accident.

In the meantime, Fah's companion, Mrs. Mary Joan Doyle, 19, was in the intensive care ward in Wa-Medical Center in Reno with injuries sustained in the mishap.

The story of the tragedy started at 3 p.m. Friday afternoon when Fah's car was stopped by the California Highway Patrol as it traveled west near Floriston. The driver was cited for changing lanes illegally and Mrs. Doyle for obstructing the driver's view.

The couple, according to the reports, drove to Nevada City and was en route to Reno when the light, late model car, driven by Fah left the highway and plunged into the river.

Fah was thrown into the water and his body quickly floated facedown in the current. Efforts of witnesses to keep up with the unconscious Fah and drag him from the water failed and he sank from sight.

Mrs. Doyle, seriously injured, was taken from the vehicle and rushed by Truckee Ambulance to the Tahoe Forest Hospital and later removed to Reno.

A search party was immediately organized with sheriff deputies, headed by Sergeant Roy Waters, the rescue unit and volunteers searched the river below the accident until the following day.

An autopsy revealed that Fah was drowned, having been knocked unconscious during the accident.

The body was taken to the Truckee Colonial Mortuary.

A rumor that Mrs. Doyle's baby was in the car and had also been washed down the river were found to be unfounded when the baby was located with a sitter in Reno.

Three Are Injured On Tahoe Highway

James Ed Donald, 20, Palo Alto, employed at Homewood as a carpenter, was seriously injured Monday at 6 p.m. when the car he was driving got out of control on the rain-slick highway near Silver Creek Camp on State Route 89 and ran into the embankment.

Donald's passengers, Alastar McDonald, 19, an Patrick Horne, 20, both of Los Gatos, were taken to the Tahoe Forest Hospital by Truckee Ambulance. Donald was removed to the intensive care ward in Washoe Medical Center with head and neck injuries.

The driver was cited for excessive speed for road conditions, having smooth tires and not having his vehicle under control.

Local Man Hurt

Harold Horton, 69, Truckee, was taken to the hospital last Friday afternoon after his car and one operated by D. Glen Cordell, 62, of Salt Lake City were involved in a collision near Floriston. Cordell was cited for stopping in the wrong lane.

POT LUCK SUPPER IS GOLF GAME FEATURE

Vina Clepper and Bob McNee won the Scotch Foursome Sunday in the Ponderosa Golf Club's tournament with a net of 32. It was described as a fun game and the pot luck supper was enjoyed by the group.

In the Ladies' Day 9-hole If game last week, Norma Russell was the winner and Georgiana King had a low gross of 46.

MRS. VIND HONORED AT REBEKAH MEET

Lenore Vind, of District No. 21 made her first official visit to Esther Rebekah Lodge, No. 9 at Grass Valley, last week, also accompanying the official was Jean Chapman.

Mrs. Vind was presented with a gift contained in a wishing well during the formal ceremony attended by lodge dignitaries from several communities.

Home Tour Will Be Attraction At Donner Saturday

By Vi White

The Donner Lake Fire Department Ladies Auxiliary wil lhold the third annual House and Cabin Tour starting from Donner Lake Lodge Saturday at 12:30 p.m.

Boats and cars will be available for those wishing transportation and refreshments will be served at the Les Hadley home next to the lodge following the tour.

Tickets are $2 each. Proceeds will go toward the meeting room at the firehouse.

Participants are asked to please wear softsoled lowheeled shoes for the protection of boats and floors.

Following is the schedule for the tour:

12:30 to 1:00 Donner Lake Lodge.

12:45 to 1:30 Duane Lueth and David Helm cabins directly across the lake from the Lodge on Southshore Drive.

1:30 to 2:15 Mrs. Amy Burke home midway on north side of lake on highway 40.

2:15 to 3:00 Dick Good and Wm. Nobmann cabins just west of white guard rail of highway 40, or may be reached via Reed Avenue.

3:00 to 4:00 Refreshments at Les Hadley home across creek from Donner Lake Lodge.

Tickets may be purchased at Donner Lake Lodge or from any DLFDLA member.

Boater Cited For Donner Violations

Timothy G. Fitzpatrick, 32, of Sparks, Nevada, was cited on two counts of violating the California boating code following an accident on Donner Lake July 29.

According to sheriff's deputies, who made the investigation and issued the citation, Fitzpatrick's boat crashed into a smaller one driven by Michael Fennen, 23, Carmichael, an employe of the state department of fish and game.

Fennen was thrown against the side of his boat and was treated at Tahoe Forest Hospital for injuries to his ribs and pelvis. Fitzpatrick was cited for operating a power boat in a negligent manner and failing to have an observer while towing a skier. Fennen's boat suffered extensive damage.

TIMOTHY FADDA TO GET AIR TRAINING

SAN ANTONIO, Tex. — Airmen Timothy W. Fadda, son of Mr. and Mrs. William R. Fadda of Incline Village, Nev., has been selected for training at Sheppard AFB, Tex., as an Air Force medical services specialist.

The airman, a 1964 graduate of Pacific High School, San Leandro, completed basic training at Lackland AFB, Tex.

THREE BABIES BORN AT LOCAL HOSPITAL

Nrusery occupants of Tahoe Forest Hospital the past week included the new daughter of Mr. and Mrs. John Waller of Truckee who arrived July 27. Debra Ann weighed a plump 7 pounds, 9 ounces at birth.

Mr. and Mrs. James Thomas Corkery, Jr. of Tahoe City welcomed their son July 28, who was named for his father. Young James weighed in at one ounce less than six pounds.

Janice Eileen are the given names of the daughter of Mr. and Mrs. Stanley Call of Truckee whose birth occurred July 26.

SUPERVISORS GRANT PERMIT FOR TRAILERS

The Nevada County Board of Supervisors Tuesday reversed the action of the planning commission and authorized use permits for two local lumber companies to install trailer houses on their property.

The action of the board will permit Ray-Mac Studs to park one trailer on the property on East River street and allows the Douglas Lumber Company to park four trailers on the mill property on the extension of Church Street.

El Cerrito Visitors —

Mr. and Mrs. Frank Pleich of El Cerrito are enjoying a cool vacation at Donner Lake until early September.

Progress Report On Local Dams Is Given By Johnson

Employes of the U. S. Corps of Army Engineers last week were engaged in drilling and other preliminary work in preparing for the eventual construction of the Martis Valley Dam south and east of Truckee.

Congressman Harold T. (Bizz) Johnson reported from Washington, .D. C., that all work thus far is of a preliminary nature and that he had been advised that no contracts will be let before spring of 1967. The current work is going forward under a $100,000 appropriation which was included in the 1965-66 budget.

Another $400,000 for Martis is included in the 1966-67 budget and this, if passed by the legislature later this month, will provide for the initial contracts expected to be for additional surveys, road relocation and construction and other preconstruction projects in 1967.

The congressman said he expects no official opposition to the allocation of the $400,000.

Also in the budget to be voted upon by the congress later in August is an appropriation of $2,225,000 designed to start work on the Stampede Dam project north east of Truckee on the Little Truckee River. This project too, will be delayed until spring at the earliest before any contracts can be let.

The $650,000 allocated to the Stampede project for 1965-66 was diverted temporarily, Congressman Johnson explained, but is not lost to the program and will be available if and when the bureau of reclamation gets set to start work on this phase of the massive Washoe Project presumably during next year.

Petitions Mailed For Incorporation

The incorporation committee has just mailed out 1325 letters soliciting signatures to bring the issue to a vote. Presently the committee is making an all out drive to get the necessary signatures that will bring a final and definite decision to the community.

The sponsors feel the issue must come to a vote in an effort for each and every citizen to voice his opinion as to the type of local government which would be best for the Truckee-Donner area.

Committee members are presently circulating petitions to local citizens asking only for a signature which will bring about a vote.

After the required signatures are received, the committee will then publish the pros and cons describing incorporation in an attempt to accurately inform the local citizens so that they will be well informed and thereby be able to make a decision on the type of local government they desire.

RAINBOW OFFICIALS AT DENVER SESSION

Carol Corbin, grand representative to California. Linda Russell, worthy associate advisor and Mickie Barker, Faith, all members of Hope Assembly No. 18, attended the supreme session of International Order of Rainbow for Girls, July 25-28 held in the convention center at Denver, Colorado.

The young women stayed with the Nevada delegation and met Mrs. Nona Achziger and daughters, Peggy and Jan formerly of Kings Beach, now residents of Colorado who acted as their hostesses during the stay.

Four hundred delegates from all parts of the world gathered at the important conclave.

Miss Barker continued as housegugest at the Achziger home for two weeks.

WARNING IS ISSUED ON RABID ANIMALS

The Nevada County Health Department urges local residents to leave any wild animals found in the area strictly alone, especially those behaving strangely or acting sick. The incidence of rabies among wild animals is highest among skunks and bats, according to figures just released by the department.

Any animal bite with the circumstance should be reported promptly to the department.

The animal itself should be captured or contained, if possible, for rabies examination.

REGISTRATION FOR NURSERY SCHOOL SAT.

Registration of children will be held on Wednesday, August 17 at 3 p.m. at the Truckee Parent Cooperative Nursery School. The new location of the school is at the school housing area immediately west of the Truckee Tahoe High School.

Enrollment is limited to 20 children, minimum age is 2½ years of age to kindergarten age.

WEST SHORE NOTES...

BY ELLEN ATTARDI

There were nine hundred plus two jeepsters who made the trip from Georgetown to the lake by jeeps last week end and the two were Tahoe City's Bill Layton and his wife Betty who were "relaxing" from their duties at the Tahoe City PUD and the north Shore chamber of commerce.

Three hundred and twenty two vehicles and their riders left Georgetown Saturday morning, and camped that night at Rubicon Springs and arrived at Chamberlands Sunday afternoon in this fourteenth annual Georgetown Jamboree. A celebration dinner at South Tahoe Sunday night climaxed the festivities.

* * *

Mr. and Mrs. Don Robson and son Donny of Bakersfield were houseguests last week of Mr. and Mrs. MacPherson at their Dollar Point home.

* * *

A scotch foursome tournament will be held Sunday, August 7th by members of the Lake Tahoe Golf Club and their guests at the Tahoe City Golf Course. Starting time is set fo 3:30 p.m.

* * *

Get well quick wishes to Leah Hopkins of the Highlands who is a patient at Washoe Medical Center in Reno where she underwent major surgery on Tuesday. Husband Harvey says he expects her to be up and rolling up the mileage again soon.

* * *

The Tahoe City Rotary Club was host on Tuesday to the new District 519 Governor, William Schultz of Carson City. Schultz and his wife spent the day in the north Tahoe area with Mrs Schultz being the guest of honor at a luncheon for Rotary ladies held at the Chataux in Incline Village.

Outgoing District President Gordon Moyer and Mrs. Moyer entertained the Schultz' and officers and ladies of the Tahoe City Rotary at a cocktail party at the Moyer home in Tahoe Park. Later the group enjoyed dinner at the Forest Inn.

* * *

Enjoying a holiday week at Tahoe last week were the George Caulkett's, former Tahoe City residents, of San Rafael.

* * *

It was a gala weekend at the Pineland home of the Bob Schoville's last weekend when there was a gathering of the clan to celebrate the seventy-ninth birthday of Willian "Grandpa" Scoville.

Among those celebrating the event were Mr. and Mrs. Eldon Secrist and four children of San Diego, Mr. and Mrs. Albert Scoville and two children of Sacramento and Mr. and Mrs. Bill Brasher and three children of Gerber.

* * *

Norm and Holly Wilson, former Tahoe City residents, of Vancouver vacationed in the Tahoe area last week. They were accompanied by daughters Robie and Cari and were the guests of Ted and Peggy Lewis at their Highalnds home.

* * *

Participating in the fourth annual invitational of the South Tahoe Country Club on Thursday were local golfers Barbara Spitsen, Inez Poundstone, Anita Ormsby and Marilyn Fugazi.

* * *

Bob and Helen Beaverson of Southern California vacationed at their Tahoe City home last week.

* * *

Alice Somers and Blanche Myer shared honors last Thursday when they tied for first with best net scores on approach at a tournament sponsored by the Tahoe City Women's Golf Club last Thursday Tied for second place in the same contest were Phyllis Beck and Dorothy Wilcox while Wilma Korich earned best score in putting.

* * *

Congratulations to Dan Scribner of Alpine Stables and Dave Edwards of Dollar Point for their stellar performances last Saturday while participating in the 12th annual Tevis Cup event, the one hundred mile ride from Tahoe City to Auburn.

Of the ninety-two riders who started the ride, fifty-three riders finished the ride. Awards of belt buckles were presented to all finishing at a dinner held at the fair grounds in Auburn. The Tevis Cup was won by J. Dardi of San Anselmo who was the first to cross the finish line, while F. Moan of Oregon won the Haggin Cup whose horse was in the best condition of the first ten finishers.

* * *

Still going is the Thieves' Market of the Tahoe Squaws. It will continue through Saturday at the Tahoe Lake School in Tahoe City, so there is still time to pick up some interesting items and help the scholarship fund of the Squaws.

* * *

Tahoe City Women's Club golfers will be guests of the ladies of the Ponderosa Golf Club of Truckee at a home-and-home tournament at the Truckee course on August 9th. Following the tournament, the golfers will be guests of Georgiana King at her Donner Lake home for a luncheon and an afternoon of swimming and boating.

* * *

Houseguests of the Dave Stollery's for several weeks at their Dollar Point home were newlyweds Mr. and Mrs. David Stollery, III. The young Stollery's returned last week to their Detroit, Michigan home.

* * *

The Darrel Hansen family of Bakersfield enjoyed a vacation with Mac and Dorothy McPherson at their Dollar Point home last week.

* * *

Members of the Tahoe Forest Hospital Auxiliary enjoyed a dinner meeting last Tuesday evening at the Rainbow Tavern in Cisco Grove. The dinner was preceded by a cocktail party hostessed by Barbara Zorich at her Soda Springs home.

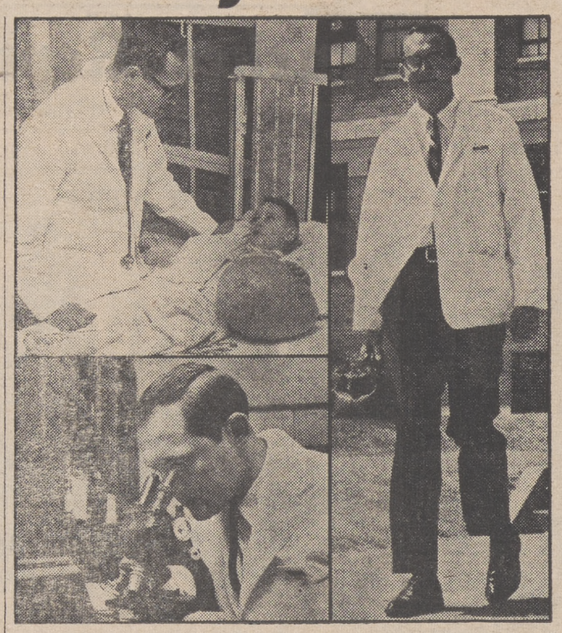
Much honored with an appointment to the Youth Exchange Committee of Rotary International is Gordon Moyer of Tahoe Park. Moyer is past president of the Tahoe City Rotary Club and past District Governor of District 519.

The Youth Exchange Committee is composed of fourteen members who are representatives of Rotary Clubs throughout the world and Moyer is much excited about the work of this committee which he sees as a very effective instrument for promoting greater understanding among peoples of the world.

Nation's 300,000th M.D. To Be A 'Family Doctor'



NORMAN, Okla.,—The nation's 300,000th physician was graduated from medical school in June at the University of Oklahoma School of Medicine.

Jerry Dean Leu, 29, of Alva, Okla., plans to become a smalltown "family doctor." First, however, he will go on for four more years of internship and residency training in internal medicine.

Dr. Leu's graduation marks a medical milestone—the first time 300,000 physicians have been available to serve Americans. The number of M.D.'s in the U.S. now is increasing faster than the general population. The ratio is better than one physician for every 680 people, compared to one for every 737 in 1960. By 1975, the AMA estimates, the ratio will be down to one physician for every 638 persons.

Even more physicians are needed to meet an insatiable demand for medical services, the American Medical Association says. The increase in demand for medical services has come about through a growing health consciousness on the part of the public, scientific advances in medicine, new government health programs and the growth in population, the AMA pointed out.

Becoming a doctor wasn't easy for Jerry Leu.

"When I was in high school, I wanted to go to medical school, but I had doubts about my ability and whether I could obtain the necessary funds," he said.

Dr. Leu said his wife's work and loans through the AMA's Education and Research Foundation and the Oklahoma State Medical Association made it possible to obtain his degree.

He was accepted for medical school in 1962 after graduation from Northwestern State College, Alva, and Air Force service as a medical research technician.

"I want to establish a family-type practice in a smaller town of 15,000 to 30,000 population," Dr. Leu said. "Why a family practice? It's hard to explain. I want to know my patients—know them as individuals and as families."

He plans to take his internship at the University Hospital, University of Oklahoma Medical Center.

Swimming Pool Group Very Busy

The Swimming Pool Committee is well aware that there are those who are skeptical that they will never achieve their goal. This is due partly to the fact that it has been tried before, but due to lack of community effort, failed.

This committee has already accomplished more than any other previous group and pledges it will not quit until every avenue has been explored. They are now preparing the next most important phase of the program.

Petitions are being circulated in an effort to reach everyone in the area to determine the extent of community support. There is no obligation connected with the signing of these petitions, they merely give you an opportunity to let the committee know if you desire a pool or not.

Watch for the date of the surprise fund raising event. You won't want to miss it. Further details will be announced soon.

Swimming Pool Committee Activities Calendar

May 22 — SPC members met at home of Kitty Money to meet with a pool consulting engineer. This meeting helped establish guide lines for the committee in proceeding with the pool program.

May 25 — SPC members Kitty Money, Pat Sutton and Maylou Smith were guests of the Reno Recreation Area, visiting the Reno area pools as well as pools at Carson City and Virginia City. This tour was made to gain ideas best suited for a pool in our area.

June 1 — SPC members were dinner guests at the home of Dr. and Mrs. Wilkins. Mr. Grant D. Caywood of the firm Caywood & Nopp, Architect Engineers, was a special guest. Mr. Caywood was interviewed by the committee as a probable builder of our pool.

June 6 — SPC members took special swimming courses in Reno offered by the Red Cross, to obtain Water Safety Instruction certificates.

July 11 — SPC members served as volunteer WSI instructors for the Recreation District Swim program. The Recreation District offered the program due to the lack of pools for the usual Red Cross sponsored swimming lessons.

July 19 — SPC met at home of Maylou Smith and decided on future action and discussed ways to gain stronger community support.

25 YEARS AGO

The following items were taken from the file of the Sierra Sun for August 7, 1941.

After 24 years in the garage business in Truckee, during the whole of which time, with the exception of the time spent in France with the AEF in 1918, he has operated the AAA Garage, A. R. Ghirard announced that he has leased the business to Clarence Osburn and will retire. Osburn has been associated with Ghirard for three years.

Sheriff Carl Tobiassen and District Attorney Vernon Stoll spoke before a meeting of the Lions Club asking cooperation in the County Council of Civilian Defense.

Andy Sorenson of Tahoe Vista was initiated as a new member of Truckee Post No. 439, American Legion. Adjutant Henry Loehr showed motion pictures provided by the Standard Oil Company.

Two hundred people Saturday night attended the opening of the new Union Hall at Kings Beach. Sam Goss of Lake Forest was chairman of the entertainment committee. The committee served 200 pounds of turkey. The new hall was built by Carpenters Local 20235.

The Tahoe City high and elementary schools opened August 4 with an enrollment of 70. Mrs. June Dyer will assist Mrs. Phil Galinger with the elementary school.

Work on the Truckee to Tahoe highway is nearing completion. The last three inch layer of surfacing has been laid between Tahoe City and Rampart and culverts have been installed on that three-mile stretch.

The Tahoe Theater at Kings Beach is featuring "The Road to Zanzibar" with Bob Hope, Bing Crosby and Dorothy Lamour.

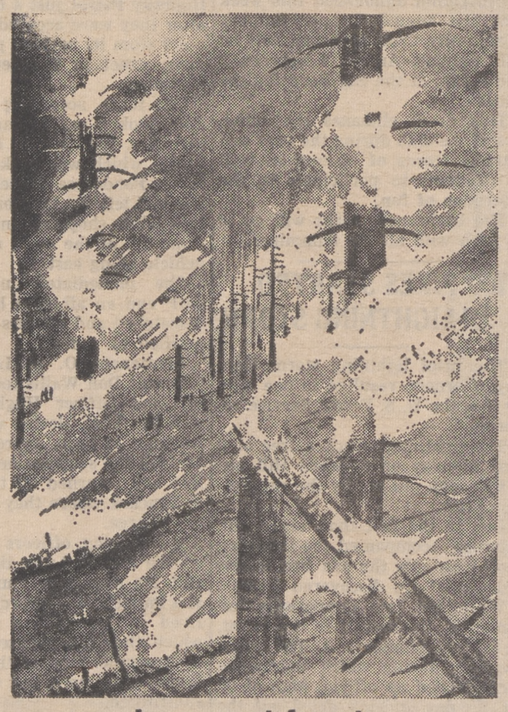
Little sparks...



burn great forests

Common sense is all that stands between controlled burning and full-scale forest fires. Before you start *any* fire, check local regulations... Be sure fires can't spread... Never burn on dry or windy days... and never leave fires unattended. Nine out of ten forest fires are caused by careless people. *So don't be careless.*

Before you start any fire:
1. Follow the local regulations
2. Be sure fire can't spread
3. Don't burn on dry or windy days
4. And never leave fire unattended
SMOKEY

Please!... only you can prevent forest fires

LAKE ECHOES
BY BETHEL

Lake Tahoe was especially gorgeous this past weekend when we came up to Kings Beach for a quiet retreat and to recuperate from the summer heat of Reno which has set some kind of record. Hot. Mountain thundershowers were forecast and armed with an umbrella, we were prepared for the showers that failed to materialize.

Sunday morning we attended services in the outdoor chapel at Kings Beach, breathing the fresh washed air, sunbathing in among the pines, and convening with nature.

* * *

Three week old Chester Dale Launt, son of Fred and Caroleta Launt of Tahoe Vista was christened by the Rev. William Marx. Baby Chester's proud brother, 15 year old Richard, was also present and helped show off the well behaved baby.

* * *

Rev. William and Norene Marx of Kings Beach are the proud parents of a baby daughter, Katherine Marie, born at Tahoe Forest Hospital July 26th. Katherine weighed 8 pounds 2 ounces and was greeted at home by sisters, Stephanie and Beth.

* * *

John and LaZelle (Marley) Miller of Roseville were weekend guests of her sister and brother in law, Iris and George Alario, at Tahoe Vista.

* * *

The Marxes also welcomed his brother, Ken, of Covina for part of his two weeks vacation. He reported to Lackland Air Field in Texas at vacation's end.

* * *

Captain Robert Ferrari, wife Audrey, and children, Bobby, Danny and Marisa left Monday, August 1, for Golden, Colorado where they will make their home. Captain Ferrari is the son of Ben and Nora Ferrari of Kings Beach. At Golden he will be assistant professor of ROTC at the Colorado School of Mines, having served a year's duty in Viet Nam.

A dinner party at the Ferrari's King Beach home bade farewell and good luck to the young people. Mrs. Mary Gardella, Bob's grandmother, Mr. and Mrs. Vic Bernard of Yerington, Audrey's parents, were also dinenr guests.

Good luck in your new work and home.

* * *

Vario's in Reno was the setting of the luncheon for Mrs. Harold (Florence) Murphy of Crystal Bay who left Sunday for a month's vacation in Hawaii. Enjoying the afternoon with Folrence were Mesdames J. C. Jordan, William Luce, Ralph Menante and mother, Ray Forsola, Peter Justi and Al Solari.

* * *

Eda Judy and Ruth Mizner of Kings Beach were Reno visitors Saturday to Bethel Van Tassel.

* * *

Pieter Van Tassel of Reno is visiting his brother and sister in law, an and Janene Van Tassel and baby son, Jonothan, at their new home in Walnut Creek.

* * *

Jay and V Ann Mandeville of Kings Beach and children, Scott, Robin and Reese, enjoyed houseguests George and Penny Rapley and children Patty, Judy and Jane, of Pasadena the past two weeks.

* * *

Happy birthday to Elsie Charrison of Kings Beach who celebrated her 80th on July 19th. Daughter, Marge Buetow was hostess to a family dinner in celebration of the occasion. Granddaughter Jo Ellen Knight and baby son, Billy, of Sacramento and grandson, Dave Ashton, his wife, Lynn and children, Tracy and Todd, helped make for a merry day. Open house was held for her many friends and her thanks for the many cards and gifts that were sent.

* * *

Eight months old Todd Ashton, son of Dave and Lynn Ashton of Incline Village, took a tumble from his bed last week fracturing his thigh. He is in a cast for several weeks.

* * *

Mr. and Mrs. Lloyd Boreham of Palo Alto are spending three weeks visiting at Incline Village with their daughter and son in law, Lynn and Dave Ashton.

* * *

A three day pack-in to Desolation Valley was made last week by Rev. William Marx, Helene Hawkins and children, Scott and Sue, Jerry Aerske, a zoologist and biologist, Estelle Howell, Lynn Sneed, Richard Johnson, Steve Howard and Debbie Rich and Rev. Marx's brother, Ken.

The trip was made on shanks mare and living was off the land and lake. No report of anyone suffering from hunger so the adventure may be considered a success.

* * *

Gene Thompson and sons, Gregory, Jerry, and Andy, of Kings Beach enjoyed a fishing trip to Hidden Lake. No report of the success of the catch so the conclusion is that they just fished.

* * *

Happy birthday to Bob Garrow of Kings Beach who celebrated his day on August 8th.

* * *

Joe and Ruby Garrett have returned to their home at Great Bend, Kansas, after several weeks visiting their daughter and family, Caroleta and Fred Launt, grandson Richard and new grandson, Chester.

* * *

Barney Wilen, Ross Price, Jack Taylor, Morie Barnes, the two latter of Reno, were enjoying a jam session — jazz that is — all appearing in groups in the area.

* * *

A quick hello with a cup of coffee with longtime friend, Eileen Wilen, at their Kings Beach resort which they are transforming into an authentic Swiss chalet. Eileen's neice, Dona Beck, daughter of Don and Dorothy Beck of Tahoe Vista is her aunt's competent assistant this summer as well as Pam Wymore and Jeanne Van Alstyne, both of Santa Rosa, and both sophomores at Santa Rosa Junior College this fall. The girls looking chic in bandana dresses and headwear in red.

* * *

Carl and Mary Dyer are at their Kings Beach summer home from the bay area. Visiting them for several days were neices, Diane Hampton and Jill Hampton of Oakland and their friend, Andrea Holliday, of Orinda.

* * *

Dave and Kathy Benjamin of Reno were Sunday guests at Connie and Troy Wainscoat's Kings Beach home.

* * *

Paul and Sally LaFrance of San Francisco were Sunday guests at the Reno home of Harry and Ceta Hooper and sons, Jon and Charles. Bethel visited with the LaFrances, Rod and Dee Hamblin and son, Doug, Iris and George Alario, Lee and Joe Aversente, Harry and Vivian McIntire, Tom and Hazel James, Bill Elliott, and was happy to learn that Mildred Beasley of Torrence who usually is a summer resort operator at Tahoe Vista is recuperat-

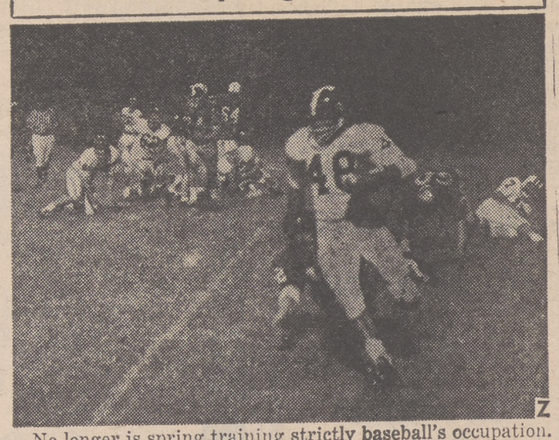
The apricot kernel is the "bitter almond" used in making candies and pastries.

Safe Spring Training

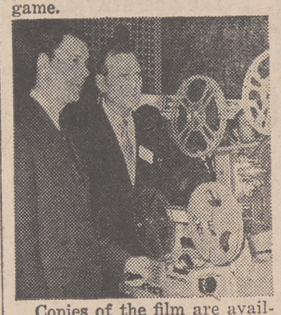


No longer is spring training strictly baseball's occupation. More and more of the nation's high schools and colleges prepare for fall's big gridiron games in spring.

Rigorous field practice is only part of spring football. Players receive locker room coaching with the help of films of last year's games. This spring coaches like University of Alabama's Paul "Bear" Bryant will be showing a unique new film they themselves requested, "To Help the Team, Help Yourself." Produced for the Desenex Athletic Division, the film is designed to capture players' interest in cooperating with coaches, trainers and team physicians on player protection.

Done in black and white 16mm and narrated by former all-American Frank Gifford, it follows the 10-day training for the 1965 Coaches' All-America Bowl Game in Buffalo, N.Y.—from post-practice care of a player's feet to the exciting game itself.

An all-star cast of "pros," including Gale Sayers (Chicago Bears) and Bobby Hayes (Dallas Cowboys), stress training rules, personal hygiene and care in preventing illness and injuries. The film's straight-from-the-shoulder approach presents sound advice to young players who sometimes ignore ailments and fail to report injuries to stay in Saturday's game.



Copies of the film are available on loan free to high schools, colleges and youth organizations. Write the Desenex Athletic Division, Wallace & Tiernan, Inc., P.O. 538, Rochester, N.Y.

NOTICE TO BIDDERS

Notice is hereby given that the Governing Board of the Tahoe Truckee Unified School District, Placer and Nevada Counties, State of California, will receive, at the office of the Superintendent of Schools, Administration Building (old Truckee Elementary School), Truckee, California, up to but no later than 4:30 p.m., Monday, August 15, 1966, sealed bids for blacktopping approximately 10,000 square feet at the Kings Beach Elementary School, Kings Beach, California and approximately 7,000 square feet at Tahoe Lake Elementary School, Tahoe City, California; and filling cracks and sealing approximately 130,000 square feet at all schools of the Tahoe Truckee Unified School District, namely: Kings Beach Elementary School, Kings Beach, approximately 30,000 square feet; Tahoe Lake Elementary School, Tahoe City, approximately 10,000 square feet; Truckee Elementary School, Truckee, approximately 41,096 square feet; and Tahoe Truckee High School, Truckee approximately 51,706 square feet in accordance with plans and specifications on file in the office of the Superintendent of Schools. Bids shall be opened and publicly read aloud at the above stated time and place.

Bids must be accompanied by a certified check, cashier's check or bidder's bond for ten (10%) per cent of the bid.

The owner reserves the right to reject any and all bids, in part or in total, and/or waive any irregularities or informalities in the bidding.

Dated this 21st day of July, 1966.
JOHN S. CORBIN
Superintendent and Secretary of the Governing Board of Tahoe Truckee Unified School District.

(LEGAL NOTICE)

NOTICE OF IMPROVEMENT SOUTH DONNER LAKE STREETS AND DRAINAGE PROJECT

NOTICE IS HEREBY GIVEN that on the 1st day of March, 1966 the Board of Supervisors of the County of Nevada, California, adopted its Resolution of Intention No. 66-42, subsequently amended, wherein it did declare that in its opinion the public interest and convenience required, and that it was the intention of said Board to order the following acquisitions and improvements in and for said County, to wit:

(a) The opening, widening and improving of South Shore Drive from U. S. Highway 40 to Donner Lake Drive, Donner Lake Drive from South Shore Drive to a point about 8675 feet easterly (including a stub street from about Donner Lake Drive station 50+22.11 southwesterly about 320 feet), Tamarack Road (East) from Old Highway Drive to South Shore Drive, Washoe Road for its entire length from Summit Creek Drive to Summit Creek Drive, Fawn Street and Salmon Street for their entire lengths from Washoe Road to Washoe Road, Summit Creek Drive from Washoe Road to Old Highway Highway Drive, Old Highway Drive from Summit Creek Drive to South Shore Drive, Tamarack Road (west) and Ute Drive for their entire lengths from Old Highway Drive to Old Highway Drive, Willow Street and Fir Street from South Shore Drive to Aspen Street, Pine Street from South Shore Drive to Cottonwood Street, Spruce Street from Maple Street to Cottonwood Street, Cottonwood Street from Maple Street to Pine Street, Conifer Drive from Cottonwood Street to Donner Lake Drive, Aspen Street from Willow Street to Spruce Street, Maple Street, Cedar Drive, Dogwood Street and Larch Street from South Shore Drive to Conifer Drive, Point Drive for its entire length as a one-way street from Donner Lake Drive to Donner Lake Drive, Red Mountain Road from Donner Lake Drive to Mt. Judah Drive, Mt. Judah Drive from near Devils Peak Road westerly about 1265 feet, and Devils Peak Road from Mt. Judah Drive southwesterly about 590 feet by clearing, grubbing, excavation, grading and the construction therein of base pavement and asphaltic concrete paving and storm drainage pipes, culverts, ditches, berms, encasements, structures and appurtenances as required for adequate drainage, relocating utility poles and facilities and water and fuel lines and structures and fencing, where necessary.

(b) The acquisitation of storm drainage easements required for adequate drainage and the construction therein of storm drainage pipes, culverts, ditches, structures and appurtenances.

(c) The acquisition of easements adjacent to roads as necessary to facilitate snow removal and stacking by County forces.

(d) The construction of road bridges at South Shore Drive and Summit Creek and Summit Creek Drive and Summit Creek, including necessary piling, railing and all appurtenances.

(e) The acquisition of all lands, easements and rights and the construction of all work auxiliary to any of the above and necessary to complete the same.

All of said work and improvements are to be constructed at the places and in the particular locations, of the forms, sizes, dimensions and materials, and at the lines, grades and elevations shown and delineated on the plans, profiles and specifications preliminarily approved therefor by the Board of Supervisors of said County and on file for public inspection in the office of the County Clerk of the County of Nevada.

Notice is hereby given of the fact than in many cases said work and improvements will bring the finished surface of the ground to a grade different from the surface as it now exists, and that to said extent said grades will be changed and that said work will be done to said changed grades.

Said contemplated acquisitions and improvements, in the opinion of said Board, are of more than local or ordinary public benefit, and the costs and expenses thereof are made chargeable upon an assessment district, the exterior boundaries of which district are the composite and consolidated area as more particularly shown on a map thereof on file in the office of the County Clerk of Nevada County to which reference is hereby made for further particulars. Said map indicates by a boundary line the extent of the territory included in the proposed district and shall govern for all details as to the extent of the assessment district.

The estimated cost of said project is $1,027,009.33.

Notice is hereby given that serial bonds to represent unpaid assessments, and bear interest at the rate of not to exceed six per cent (6%) per annum will be issued hereunder in the manner provided by Division 7 of Streets and Highways Code, the Improvement Act of 1911, and the last installment of such bonds shall mature not to exceed fourteen (14) years from the second day of January next succeeding the next September 1st following their date. Said bonds shall be made payable to bearer and provide a premium of 5% of the unmatured principal thereof on call.

The descriptions of the acquisitions and improvements and the termini of the work contained in the Resolution of Intention, as amended, are general in nature. All items of work do not necessarily extend for the full length of the description therof. The plans and profiles of the work and maps and descriptions, as contained in the Engineer's report, shall be controlling as to the correct and detailed description thereof.

Except as herein otherwise provided for the issuance of bonds, said work shall be done pursuant to the Municipal Improvement Act of 1913.

Reference is hereby made to proceedings had pursuant to Division 4 of the Streets and Highways Code, all on file in the office of the County Clerk of Nevada County.

Notice is further given that the Project Engineer pursuant to said Act and said Resolution of Intention, as amended, adopted pursuant thereto, did on the 19th day of July, 1966, file with the Clerk of said Board his report in writing on said acquisitions and improvements, consisting of plans, profiles, specifications, estimates of costs and incidental expenses, diagram and assessment, maps and descriptions, and said Board did on said date consider and examine said report and by resolution preliminarily approved and confirmed same and ordered that said report shall stand as the report for the purposes of all subsequent proceedinggs had pursuant to said Resolution of Intention, as amended.

NOTICE IS FURTHER GIVEN that Tuesday, the 23rd day of August, 1966, at the hour of 1:30 o'clock P. M. of said day, in the regular meeting place of said Board, Supervisors Chambers, Court House, Nevada City, California, are the time and place appointed and fixed by said Board when and where it will consider and finally determine whether the public interest, convenience and necessity require said acquisitions and improvements, and when and where it will consider and determine whether the owners of a majority of the area of the property in the proposed assessment district have protested against said acquisitions and improvements or any portion thereof, and when and where it will consider and finally act upon the Engineer's report filed pursuant to said Resolution of Intention, as amended, and when and where it will hear all protests in relation to said proposed acquisitions and improvement, or to the grades at which said work will be done, or the extent of the assessment district, or to the Engineer's estimate of the costs and expenses thereof, or to the proposed diagram and assessment, or to the maps and descriptions, and that any person interested may file a written protest with the County Clerk of Nevada County at or before the time set for the hearing referred to herein.

Reference is hereby made to said Resolution of Intention, as amended, and said report, including plans, profiles, specifications, estimates of costs, diagram and assessment, and maps and descriptions for a more particular description of said acquisitions and improvements to be had and done, and for further particulars, all on file in the office of the County Clerk of Nevada County.

Dated: July 19, 1966.
THEO. A. KOHLER, JR.
County Clerk of the
County of Nevada
J28-A4

NOTICE INVITING SEALED PROPOSALS OR BIDS SOUTH DONNER LAKE STREETS AND DRAINAGE PROJECT

Pursuant to the Municipal Improvement Act of 1913 and the resolution directing this notice adopted on July 19, 1966, by the Board of Supervisors of the County of Nevada, said Board invites sealed proposals or bids for the grading of streets, construction of roadway base and pavement, bridges and concrete structures and grading of diversion ditches and appurtenances, as more particularly described in Resolution of Intention No. 66-42 adopted by said Board on March 1, 1966 and subsequently amended, which resolutions are on file in the office of the County Clerk of Nevada County and to which reference is hereby expressly made for a more particular description of the work to be done.

All of said work is to be done at the places and in the particular locations, of the forms, sizes and dimensions and of the materials, and to the lines and grades and at the elevations as shown and delineated upon the plans, profiles and specifications made therefore and preliminaryly approved by said Board on July 19, 1966.

Payments will be made in cash by said County of Nevada to the contractor in accordance with the provisions of the specifications and on itemized estimates duly certified and approved by the Project Engineer submitted in accordance therewith, based on labor and materials incorporated into said work during the preceding month by the contractor. However, notice is given that a period of 30 days is given to the property owners in which to pay their assessments, and if cash collections are insufficient to meet such monthly estimates, there will be a delay in making such payments until money is received from the sale of bonds issued upon the unpaid assessments.

Notice is hereby given that on July 19, 1966 the Board adopted a resolution determining the general prevailing rate of per diem wages to be paid to the various craftsmen and laborers required to construct said improvements, a copy of which wage scale is hereto attached and made a part hereof, and also contained in and made a part of the specifications for said work, to which reference is hereby made for further particulars.

All proposals or bids shall be accompanied by a cashier's or certified check payable to the order of the County of Nevada amounting to ten per cent (10%) of the bid, or by a bond in said amount and payable to said County of Nevada signed by the bidder and a corporate surety, or by the bidder and two sureties who shall justify before any officer competent to administer an oath, in double said amount and over and above all statutory exemptions. Said check shall be forfeited or said bond shall become payable to said County of Nevada in case the bidder depositing the same does not, within 15 days after written notice that the contract has been awarded to him, enter into a contract with the County of Nevada.

Contractor shall furnish to County of Nevada a faithful performance bond and labor and material bond as required in said specifications.

Said sealed proposals shall be delivered to the County Clerk of the County of Nevada on or before 2:00 o'clock P. M. of the 16th day of August, 1966, County Clerk's Office, Court House, Nevada City, California, said time being at least fourteen days from the time of publication of this notice. Bids will be publicly opened, examined and declared on said day and hour, and referred to and considered by the Board at its meeting at 1:30 o'clock P. M. of the 23rd day of August, 1966.

A copy of the plans and specifications may be obtained from Clair A. Hill & Associates, 1525 Court Street, Redding, California, and Murray & McCormick, (P. O. Box 1476) Tahoe Valley (Tahoe Keys), California upon deposit therefor of $20.00, which will be refunded if said plans and specifications are returned in good codition within 10 days of receipt of bids.

Dated: July 19, 1966.
THEO. A. KOHLER, JR.
County Clerk of the County of Nevada

PREVAILING WAGE SCALE
SOUTH DONNER LAKE STREETS AND DRAINAGE PROJECT

In accordance with the provisions of Section 1770 of the Labor Code of the State of California the general prevailing wage rates applicable to the work are as follows:

Operator—Earth Moving equipment to 45 C.Y. "struck"	5.19
Operator—Earth Moving equipment over 45 C.Y. "struck"	5.41
Truck Driver, Water (5000-7000 gals.)	4.465

Positions not listed above will be allocated in accordance with their classifications. Any classification omitted herein shall be not less than 3.775 per hour. The rates for overtime, Sundays and holidays shall be in accordance with the various Craft agreements.

J28-A4

Economic Importance Of Fibreboard Operation In Area See With Report

An idea of the economic importance of the Fibreboard Paper Products Corporation to this area is revealed in an article in the company's employee's magazine, Shield, for May and June.

In an illustrated article entitled "Trees are Forever" the writer says in part:

Fibreboard's major timber holdings are located at Hobart Mills, a former sawmill "ghost town" about five miles north of Truckee. Paul Shively (manager of timber operations) and his staff supervise more than 90,000 acres of company timber in Sierra, Placer, Nevada and Lake counties of California and Washoe County, Nevada.

Our eastern Sierra operations this year will provide a payroll of about $185,000. In addition many thousands of dollars will be spent for equipment, supplies and maintenance and our property taxes contribute heavily to the support of education, road building, police and fire tprotection and other activities of local, county and state governments.

The expected harvest in the Truckee operations is 65 million board feet.

Utilize All Material

Our logging operations attempt to utilize fully the materials in the woods. Salvage and cleanup operations eliminate damaged timber or smaller logs that cannot be taken economically during prime logging.

At our Lake Tahoe operation two smaller pieces of equipment remove small logs or timber that can be pushed over or handled quickly. A rubber tired skidder maneuvers easily through logged areas, taking smaller merchantable logs that otherwise would be left. The contractors, J. J. (Hap) Warnke and L. D. Erwin of Truckee, load their own trucks by a system of hydraulic controls. Tried on an experimental basis early in the logging system, this method is proving successful.

At Lake Tahoe, Fibreboard is logging with company-owned equipment and Fibreboard personnel. Sawlogs from this operation are delivered to the Douglas Lumber Company mill at Truckee. We also sell standing timber to Tahoe Lumber Company of Nevada at Reno and the Feather River Lumber Company located at Loyalton, California. The timber sales are supervised and administered by Fibreboard personnel. These mills provide pulp wood chips for our San Joaquin pulp mill, helping to contribute substantially to jobs and other local economy stability.

Building Road

The company also is cooperating with the U. S. Forest Service on a 200-mile road development program near Truckee. The system eventually will open nearly 70,000 acres of company and forest service land in the eastern Sierra, known as Webber Lake block. We have built 30 miles of road and about 45 more are under construction. The project, started in 1963, will require another seven years to complete.

Roads are engineered and constructed to standards that anticipate timber production over the years and that accommodate public use. This project is under the direction of "Hank" Schwartz, a licensed forest engineer, aided by Ken Mann, assistant engineer. They will supervise approximately 15 employees this summer in engineering and construction of the system.

The cooperative agreement with the Forest Service provides for a proportionate division of costs for construction and maintenance based on anticipated use. It also includes the exchange of important rights-of-way necessary for development of forest lands. Roads are constructed for permanent use, with many miles weatherized with oil and engineered for proper drainage. The roads will provide advantages of access in event of fire in the previously isolated high country.

Road building is only one of many activities taking place in the high woods this summer. Logging and other work is seasonal during the months between heavy snow storms. In the meantime, Fibreboard is active in taking the raw material to supply a large part of its operations.

But we are doing more than taking. We also are leaving so that we put something back into the forest that supports our endeavors. At Fibreboard we are helping conserve a segment of this nation's tremendous resource of wood. Prior to World War II, this nation harvested more wood than it grew. Today the forest industry grows 1½ times more wood than is harvested, or lost to fires, disease and insects combined.

Our future is bonded to the supply of wood. Happily, we are putting in more than we are taking out.

Report Issued On County Sales Tax

Despite heavy Christmas buying and higher social security taxes, Californians spent $544 million more during January, February and March for taxable goods than in those months a year ago.

Paul R. Leake of the state board of equalization, which administers the 4 per cent sales and use tax, this week credited record employment for the increase.

Retail sales in Nevada County were up 1.9 per cent over a year ago, Leake reported.

Of the 1,014 permits in Nevada County, 676 are in the unincorporated areas and 338 in the two cities. Total sales in the cities totalled $3,993,000 while in the unincorporated districts the total taxable sales were $3,627,000 for a total of $7,445,000 in taxable sales.

Placer County has a total of 1,944 permits of which 971 are outside the cities and 973 in the cities. Total taxable sales amounted to $23,343,000 and of this total $16,912,000 was from the cities and $7,141,000 outside.

Placer showed a gain of 7.2 per cent in taxable sales during the quarter, the report shows.

DONNER DOINGS

By Mrs. Carson "Vi" White

Oh boy, it's great to be back to the cool mountains again after being in warm 88 degree San Francisco and hot 100 degree Walnut Creek. Certainly don't blame the valley people for coming up here to escape the heat.

* * *

Donner Lake will be invaded by the Bay Area Ski Council ski clubs this weekend for their annual water ski carnival. Waterskiing and games will be keeping some busy, but the annual grudge volleyball competition will be the highlight during the day at Donner Lake Lodge.

The Viking Ski Club of San Francisco has been practicing all year just so that they can keep that trophy.

A progressive dinner is another attraction with cocktails at the Vikings lodge on the summit, co-hosted with the Penninsula club; soup at Oakland's lodge, salad at marin, main course at Sierra, dessert at Nature Friends and dancing back at Donner Lake Lodge to a live band.

* * *

The Third Annual House and Cabin Tour will be held Saturday starting from Donner Lake Lodge at 12:30. Boats and cars will be available there. The schedule will appear elsewhere in this edition. Tickets will be available from members of the Donner Lake Fire Department Auxiliary or at the lodge. The $2.00 donation will help pay for a meeting room at the firehouse.

* * *

Wog Horton is in the hospital due to an unfortunate accident driving home from Reno recently. He has 9 broken ribs and other complications which will necessitate a prone position for quite awhile. Our wishes for a speedy recovery. We know his wife Lottie can sympathize with him since she suffered 3 cracked ribs not too long ago also from a car accident.

* * *

Edith Davis, of Olympic Heights, Rita Turner of Truckee, her friend from Canada Dorothy Barker and yours truly found out how to change a tire when there is no man around.

After reading directions and figuring out how to get the jack on the bumper properly, the blowout came off fine and the spare put on in just a few minutes. Of course we were all mighty hot and dusty since it happened on our way back from the Sierra Tinker Belles field trip to Crystal Peak via the back roads.

* * *

Oh yes, the Sierra Tinker Belles Garden Club had a very successful Flower Show at the Truckee Firehouse Saturday. Fifty eight awards were given by the liberal judges and many more were won by Donner Lakers: Selina Studer, Amy Burke, Dorothy Maragliano, Betty Dearman, Crystal Quist and Vi White.

* * *

Sunday the Hospital Beautification work day will start off at 8 p.m. and close at 5 when a barbecue is scheduled to be ready for the crews.

Several donations have been received for the project, the latest being $100 from the Truckee Lions Club and bark for ground cover from Vita-Bark in Truckee.

Come help make the hospital grounds attractive for all to enjoy.

* * *

The next meeting of the Sierra Tinker Belles Garden Club will be held at our home Tuesday, August 9 at 1:30 p.m. Anyone interested in gardening is invited to attend.

Success of the recent Flower Show, the possibility of entering exhibits at the State Fair, site of the next field trip and type of garden furniture for the hospital will be discussed.

A swim party will be held after the meeting.

KEEP OUR FORESTS GREEN

The Road Report ... BY ARBA

TRIPS ON THE INTERSTATE SYSTEM REQUIRE PLANNING AHEAD

Since high speed reduces the time for decision, study your map in advance to be sure of your exit. If you do miss your turn-off, never stop, back up, or reverse direction. Proceed to the next exit or rest area before rechecking your map.

AMERICAN ROAD BUILDERS' ASSOCIATION

Continental Revue Draws Big Crowds At Nevada Lodge

CRYSTAL BAY — "Vive Les Girls" — the lavish continental revue at North Lake Tahoe's Nevada Lodge — continues to draw big crowds to the Topaz Room. Critics and spectators alike laud the adults only production as the most spectacular ever.

The keynote of "Vive Les Girls" is glamorous excitement, personified by a bevy of beautiful showgirls representing Europe, Asia and the United States. Star of the show is RCA Victor recording artist Gary Marshal, an English-born veteran of radio and television who is carving a permanent niche for himself in the U. S. show world.

An oriental flavor is added to the show by pert Chiaki Keiko, whose tender voice gives exotic interpretations to songs from around the world. She and Gary Marshal provide vocal interest throughout the show.

To match its French name, "Vive Les Girls" includes beauteous showgirls from Paris who bring a background of performing in the famous Moulin Rouge and other Parisian shows noted for power-packed excitement. English girls, too, bring beautiful impact to the production numbers.

Providing pace, excitement and novelty for the show are several specialty acts, including the great "Carazini" chain smoking routine, Charlotte Arren's and Johnny Broderick's "Opera in the Ruff' number — and others.

"Vive Les Girls" is staged nightly in Nevada Lodge's Topaz Room, while in the Lounge, continuous entertainment is offered from dusk to dawn. Featured in the Lounge this week is hilarious Jackie Burns.

Of the 36 Presidents of the United States, 19 were of English ancestry.

LAKE ECHOES

(Continued from Page 3)

ing nicely from her recent accident. Vasco and Catherine Arrighi of San Francisco, longtime friends of Mildred's are operating the resort for her this summer. Eevryone was busy and no time out for visitors so we continued on our way.

* * *

Ellen Dennis and daughter, Ellen, former longtime residents of Carnelian Bay, are visiting for several weeks at Tahoe Vista.

* * *

Observing their first wedding anniversary on July 31st were Peter and Caroline Paxton of Incline Village.

* * *

A farewell party for Doris Richmond of Incline Village was attended by Inez Jordan, Vera Ozals, Virginia Engelhart, Virginia Stekol and mother, Dorothy Gilmore and Iva Montgomery on Thursday night. Friends are sorry to have Doris move but wish her well in her new home at Tucson.

* * *

William E. and Doris J. Summerlin and daughter, Christi, are the new owners of Goldcrest in Kings Beach. The Summerlins come from Walnut Creek where they resided the past 17 years.

Former owners, the Schofields, are relaxing at Donner Lake before departing for a new home in San Francisco.

Welcome to Kings Beach Summerlins.

* * *

Ted and Pearl Draney of Incline Beach entertained as their dinner guests on Sunday, Ruth Mizner of Kings Beach and Bethel Van Tassel of Reno.

* * *

Bill and Alice McDonald of Kings Beach report they are so busy they haven't even had time to replace their lost guppies!

* * *

Jimmy Hume of the North Shore Club finally had a night off and took his charming mother. Florence Murphy, and the J. C. Jordans to dinner to the Christmas Tree. Jimmy welcomed a relaxation from his strenuous duties.

* * *

In answer to questions, we WANT news from Kings Beach and Tahoe Vista but long distance prohibits phoning. Why not drop a card to Bethel either to the Sierra Sun or 825 Gordon Avenue, Reno? It would be more than welcome.

* * *

Steve and Mickey Stephenson of Kings Beach dining with friends at the Crystal Bay Club showing off pictures of granddaughter, Traci Ann Johnson, born to Judy and Bruce Johnson of Milpitas on July 15th.

* * *

Al and Claire Bettencourt of Tahoe Vista and Shirley and Ann Wilkens of Tahoe Vista dining at the North Shore Club. Al and Claire lookikng great after their winter at Gilroy.

Claire's cousins Mr. and Mrs. Harold Hadfield of San Marino and Al's cousins, Inez Carney and Betty Chaplain of Santa Cruz recent houseguests.

Dr. and Mrs. Rueben Gold of San Francisco celebrated their 30th wedding anniversary on August 1 with a cocktail party at the Bettencourt home in Tahoe Vista.

PERSONAL INJURY SUIT IS STARTED

AUBURN — A $210,000 personal injury suit has been filed against Alex Cushing's Squaw Valley Developing Company and lodge by a skier who claims he broke his left thiugh in a fall on the Shirley Lake Ski Trail last February 6.

Plaintiff Carl Smiley accused the firm of negligence in allowing "unusually large pieces of ice and snow (sic)" on the trail.

Smiley is seeking $200,000 general damages and $10,000 in medical costs. He also is asking for the return of wages lost due to the accident.

MAJOR STEP TAKEN IN GOLD MINE PLAN

WASHINGTON, D. C. — House interior and insular affairs committee action recommending passage of the "Gold Mine Assistance Act of 1966" was hailed today as a major step forward in the battle to revitalize the gold mining industry of California.

Representative Harold T. (Bizz) Johnson, whose second, mountain-valley counties, district contains much of the gold producing regions of California, sponsored the legislation in a continuing effort to restore the gold industry to its rightful place in the economy of the state and nation.

"Without Gold We Fold", Congressman Johnson had told the Interior Committee during earlier hearings, citing the ever increasing demand for the precious metal in science, research, defense, and industry. The gold is present in our lands, but mines must be restored to develop it.

"This cannot be done," Representative Johnson said, "as long as we shackle the industry with arbitararily established prices which have not been increased since the depths of the depression of the 1930s."

PARK OFFICIAL SAYS TAHOE PARKS WILL JOIN SEWER PLAN

SACRAMENTO — State Park and Recreation Director Fred L. Jones announced that units of the California State Park System in the Tahoe Basin will not add to the pollution problems of Lake Tahoe.

In reference to the two-day federal-state water pollution control conference that opened last week to discuss methods of controlling pollution in the Tahoe Basin, Jones explained how park units in the area operate to avoid dumping sewage into the lake.

"The Tahoe State Recreation Area," he said, "ties into the Tahoe City sewage system where sewage is treated and discharged to percolation beds, not into the lake.

"At D. L. Bliss and Emerald Bay State Parks, leaching systems are used, and no waste is discharged into Lake Tahoe.

"We will build a secondary sewage treatment plant at our new Sugar Pine Point State Park from which treated effluent will be discharged into leaching fields at least 1800 feet from the shoreline. In the meantime, in order that the public can use the 'Immediate Public Use' camping facilities at the park, chemical toilets are being installed".

Jones added that as soon as the new Tahoe trunk sewage system is completed, which should be tied into it.

The new system will service the North Tahoe area to carry sewage out of the Tahoe Basin. The department of parks and recreation is investigating the possibility of also tieing its other Tahoe area parks into this system.

Two Presidents have visited The Geysers resort in Sonoma County, Ulysses S. Grant and Theodore Roosevelt.

LEGAL NOTICE **(LEGAL NOTICE)**

STATE OF CALIFORNIA
DEPARTMENT OF GENERAL SERVICES
OFFICE OF ARCHITECTURE AND CONSTRUCTION
NOTICE TO CONTRACTORS

SEALED PROPOSALS will be received by the Office of Architecture and Construction in Room 1228, 1120 "N" Street, Sacramento, California; until 2:00 p.m. Tuesday, August 16, 1966, at which time they will be publicly opened and read in Hearing Room in Basement at said address, for construction of MAINTENANCE FACILITIES, DIVISION OF HIGHWAYS, ROUTE 80/20 JUNCTION, NEVADA COUNTY, CALIFORNIA, (W.O. AGO2 134 C), in accordance with the plans and specifications therefore and such addenda thereto as may be issued prior to bid opening date.

In general, this project comprises furnishing and erecting a factory prepainted prefabricated metal building with sandwich type insulated wall panels.

Construction includes grading, concrete foundations and floor slabs, wood stud and gypsum board partitions, hollow metal doors, sectional steel overhead doors, mechanical and electrical work.

Bids will be entertained on a lump sum basis only.

Plans and specifications, forms of proposal and Bidder's Bond may be obtained by requesting them in writing from the Office of Architecture and Construction, P. O. Box 1079, Sacramento, and they may be seen at the Office of Architecture and Construction, 1120 "N" Street, Sacramento, and 1111 Jackson Street, Oakland and the Builder's Exchange Offices.

Plans and specifications may be obtained without charge and are not to be returned.

No bid will be considered unless it is made on a standard proposal form furnished by the Office of Architecture and Construction and is made in accordance with the provisions of Section 1B of the Specifications. Each bidder must be licensed and also prequalified when required. (See said Section 1B.)

The Department of General Services reserves the right to reject any or all bids, and to waive any informality in any bid received.

Apprentices: Pursuant to Section 1777.5 and 1777.6 of the Labor Code and in accordance with regulations of the California Apprenticeship Council, (See Title 8, California Administrative Code, Sections 18000 et seq.) and local apprenticeship standards for the trade, properly indentured apprentices may be employed in the prosecution of the work.

In formation relative to apprenticeship standards, wage schedules, and other requirements may be obtained from the Director of Industrial Relations, ex officio the Administrator of Apprenticeship, State Building Annex, 455 Golden Gate Avenue, San Francisco, or from the Division of Apprenticeship Standards and its branch offices.

It is State policy to encourage the employment and training of apprentices on public works contracts as may be permitted under local apprenticeship standards.

Prevailing Wage Rates: Pursuant to the provisions of Section 1770 of the Labor Code, the Department of General Services has ascertained the general prevailing rate of wages and employer payments for health and welfare, vacation, pension and similar purposes in the County in which the work is to be done to be as hereinafter set forth in this notice.

Copies of all collective bargaining agreements relating to the work to be performed as set forth in the aforementioned Labor Code containing information relating to wages, fringe benefits, subsistence, and travel pay are on file and are available for inspection in the offices of the Division of Labor Statistics and Research of the Department of Industrial Relations.

Employer payments other than those hereinafter itemized, as defined in Section 1773.1 of the Labor Code, are to be paid in accordance with the terms of the collective bargaining agreement applicable to the type or classification of the workmen or mechanics employed on the project.

The following shall govern as to overtime and Sunday or Holiday work: overtime work — not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments; Sunday and Holiday work — not less than one and one-half (1½) times the basic hourly rate plus applicable employer payments. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type or workmen employed on the project.

Basic Rate per Hour	Classification	Employer Payments for H&W	Vacation	Pension
$4.90	Carpenter	25c php	25c php	30c php
4.665	Cement Finisher	26c phw/p	35c phw/p	40c phw/p
5.65	Electrician	15c phw	9% gw (1)	1% gw (2)
5.20	Ironworker-Reinforcing	25½c phw	18c phw	15c phw
5.41	Ironworker-Structural	25½c phw	18c phw	15c phw
3.925	Laborer	25c php	25c php	20c php
4.97	Painter	24½ ph	60c ph (3)	20c ph
6.27	Plumber	20c phw	35c ph (1)	12½ phw
5.827	Sheet Metal Worker	15c phw	8% gw (1)	13c ph
4.205	Truck Driver, Under 4 cu. yd. water lev. cap.	36½ phw	20c phw	25c phw

(1) included in basic rate per hour.
(2) in accordance with "Employees Benefit Agreement".
(3) includes holiday time.
ph — per hour.
php — per hour paid
phw — per hour worked
phw/p — per hour worked or paid.
gw — gross wage.

Winners Of Flower Show Announced

By Vi White

The first flower show put on by the Sierra Tinker Belle Garden Club was held in the Truckee Firehouse Saturday, July 30th, from one to five o'clock. It was a decided success and the proceeds will go toward buying garden furniture for the local hospital.

Abbie Colet and Kay Stewart were judges from Reno, and the accredited judge was Jean Patterson from Lake Forest and Woodland.

The following awards were given:

The Donner Party: Arrangements with old heirlooms, 1. Anita Hutson, Sacramento; 2. Tisha Hall, South Tahoe; 3. Edith Welch, Truckee. Honorable mention, Edith Welch.

Emigrant Trail: using kitchen utensils old and new, 1. Vi White, Donner Lake; 2. Tisha Hall; 3. Selina Studer, Donner Lake. Honorable mention, Ella Dolley, Incline Village.

Southern Pacific Lines: Oriental arrangements with line predominating, 1. Betty Douglas; 2. Claudia Loynd; 3. Lucille Quilici. Honorable mention; Anona Loynd, all of Truckee. B. 1. Tisha Hall; 2. Anita Hutson;3. Edith Hall. Honorable mention, Bonnie Houlgate, Truckee.

Hobart Mills: shadow box, 1. Betty Dearman, Donner Lake.

General Fremont: free for all, 1. Tisha Hall. Honorable mention, Goodie Mori, Donner Lake.

Farewell to Summer: dry arrangements, 1. Amy Burke, Donner Lake; 2. Amy Burke; 3. Sandy Ferdinand, Truckee and Dorothy Maragliano, Donner Lake. Honorable mention, Linda Russell, Norma Russell, Lucille Quilici and Anona Loynd, all of Truckee.

Sierra Skies: one color arrangements, 1. Muriel Wiser, Truckee and Selina Studer; 2. Tisha Hall; 3. Amy Burke. Honorable mention, Selina Studer.

Ponderosa: combining a painting and flower arrangement, 1. Selina Studer; 2. Selina Studer; 3. Dorothy Maragliano and Anona Loynd. Honorable mention, Lucille Quilici.

Sierra Wildwood: treasures gathered from the forest, 1. Dorothy Maragliano and Tisha Hall; 2. Betty Dearman; 3. Edith Welch. Honorable mention, Vi White.

The following juniors won ribbons in varied categories:

First awards: Leslie Groves, Genie Vind; second awards, Genie Vind, Robin Waters, Libby Wiser; third awards, Genie Vind, Crystal Quist and Leslie Groves. Honorable mention, Leslie Groves and Genie Vind.

Local artists who displayed their paintings and lent color and variety to the effects of the flower show were: Lola Toccalini, Rafael Jolly, Majel Rose, Sue Reams, Esther Fox, Dorothy Fordham, Bobbie Jean Dolley, Claudia Loynd, P. R. Nelson, Eva Popovich, Lona Boren, and Charles Spillner.

A few painting were loaned by inmates of the Nevada State Prison.

Plans are already being made for a bigger and better flower show next year according to chairman Gladys Dolley.

Tahoe Election

Continued from Page 1

trunk line and pumping facilities along the west shore from Dollar Point to Tahoe City. This is a straight grant — there are no strings attached, and the amount does not have to be repaid, the only requirement being that the district put up its share of the cost.

The State of California has already passed legislation, and the governor has signed it, authorizing a loan of $2,000,000 to be applied jointly to the Tahoe City and North Tahoe districts for the construction of this sewage project. This is a long term, low interest rate loan, and the repayment will not start for at least ten years. The districts could not hope to borrow money at a lower interest rate than will apply to this loan.

Additional federal and state monies will unquestionably be available to the districts for assistance in constructing subsequent stages of the project. It is almost certain that the federal government will contribute a greater share than 30 percent on these future segments, and it is expected that the state will also contribute its share. However, it will always be a requirement that the local agencies put up a reasonable share of the project cost.

It is for this reason that the citizens' committee considers it so very important that the Tahoe City voters approve the August 16 bond issue. This will signal the injection into the economy of the area of many millions of dollars of federal and state money, and even more important will enable the district to export all wastes from the basin and protect the lake.

Harpers Here —

Mr. and Mrs. Chase Harper of Pomona, former residents, are vacationing at Tahoe City.

From Valley — 6

J. Ofsenek of Lafayette was a recent visitor to the mountains.

From San Pedro —

The S. Mausert family of six of San Pedro are enjoying their mountain vacation here.

Wood at Donner —

For sixteen years the Fred J. Wood family has spent their annual vacation at Donner Lake where they are enjoying an indefinite sojourn.
